

Welcome, Visitors!

Thanks for joining us today. If we can be of service, please call the church office. The River is a fellowship of believers committed to the Lord Jesus Christ. Our primary objective, in the words of the apostle Paul, is to "know Him (become more deeply and intimately acquainted with Him) and the power of His resurrection." Our main emphasis which has been intertwined throughout our entire ministry since our beginning in the late '70s has always been knowing the Lord through a personal relationship with Jesus Christ on a daily basis.

Jesus told us to take His yoke upon us and learn of Him. So we at The River Christian Fellowship place a great emphasis on studying and learning the Word of God. Our desire is to know the full counsel of God, so we teach the entire Bible from Genesis to Revelation. We desire to minister to people of all ages. We also believe that Jesus is coming soon! This hope motivates us into a deeper relationship with Him and to share that relationship with others. Our hope is not the "Coming of the Lord" as much as it is "The Lord who is coming."

Jesus also told us that the harvest (the many who have not yet met Christ in a personal way) was plenteous but the laborers were few. Thus, we emphasize training believers to be laborers in the harvest, to know the Lord and be strong in their relationship with Him and as a result, bring other people to Him. In addition, we have regular evangelistic outreaches here in the church such as our radio and television ministries, movies, concerts and missionary endeavors. God has been faithful and blessed us as we have followed His Word. We desire to continually be open to the leading of His Holy Spirit as we live in these critical times, with hope of continually being vessels through which He can work. You are invited to join us in our desire to know and serve Him.

Reminder:

Noises in the sanctuary are a distraction to others around you. In consideration of others, please remain seated once the teaching has begun. If you leave during the service, please sit in one of the back rows. The Cry/Nursing Mother's room is located in the coffee shop (it has a TV monitor so you can watch & listen to the teaching). Please remember to silence cell phones. Thank you!
